

Your customers have a simple decision: cut a check today or pay less over time on select laptop devices.

Ingram Micro Flexible Payment Solutions is partnering with some of the biggest technology brands to help you sell more, and support your customer's new demand for virtual working.

| Term | 24 or 36 Months** |
|------------------------|--|
| Contract Signature | End User Customer |
| Billing to End User | Ingram Micro FPS |
| Minimum Order Size | Five (5) Device Minimum (per device type) |
| Approvals | Reseller Approval Required Credit Approval Required for End User |
| Ideal Transaction Size | \$5,000 - \$500,000+ |
| Finance Agreement Type | Fair Market Value (FMV) |

Cheaper Than Paying Cash

Financed through Ingram Micro Flexible Payment Solutions, your customer will pay less over the term than if they purchased it outright.

Helps You Manage Technology Lifecycle

Keep your customers on a predictable technology refresh schedule and manage their lifecycle.

Accelerate Your As-A-Service Journey

Enhance your As-A-Service offerings with another product line consumed with a monthly recurring payment.

How it Works

- Unlock your promotional pricing.
- Schedule a call to discuss your opportunities.
- · Sell more laptops!

FMV End of Term Options

- Return
- Refresh
- Purchase for FMV
- Continue Renting
