W13N Product Specifications

Update release date: March 28, 2024

picture

serial	Classification	describe	Remark
1. Basic Information			
1	Product Model	W13	
2	Promotion Name	W13N-TT	
3	Product form	Tablet PC 2 in 1 Laptop	
4	Mass production time	2024年11月	
2. Hardware Specifications			
1	Central Processing Unit (CPU)	Intel® Processor N100 Intel® Processor N150	
2	Graphics Processing Unit (GPU)	Intel® UHD Graphics (up to 750 MHz)	
3	Memory	LPDDR5 16GB	8GB, 12GB, 16GB optional
4	storage	PCIe X4 NVMe/SATA M.2 2280/512GB/optional, shipped on demand	M.2 SATA/NVME 2280 SSD optional: 128GB/256GB/512GB/1TB
5	Display	13" 2160*1440 IPS	
6	Camera	Front 1MP, with white indicator light and dual MIC; rear 5MP with auto focus	
7	speaker	Yes, dual stereo speakers	
8	network	4G LTE	N/A
9		WiFi	WiFi 11a/b/g/n/ac 1T1R (8821CE)
10		BT	BT 5.0
Optional WIFI5, WIFI6, WIFI6E, WIFI7, Bluetooth version will change with the change of WIFI module			
11	power supply	Battery	7.7V 5000mAh
12		charger	Wall-mounted Chinese standard/DC3.5 12V 3A
National Standard--3C Certification American Standard--FCC/UL/ETL Certification European Standard--CE Certification Japanese Standard--PSE Certification Korean Standard--KC Certification Indian Standard--BIS Certification			
3. Product appearance			
1	Peripheral Interface	Charging	DC ϕ3.5mm
2		USB-C	TYPE-C *2 (full function (PD/DP/USB) *1, USB2.0 *1)
3		Expandable	N/A
4		Audio	ϕ3.5mm, CTIA *1
5		USB-A	USB3.2 Gen 1*2
6		Docking	Pogo pin*1
Two full-featured options			

7	touchscreen	G+FF 10-point touch (supports passive/active MPP2.0 capacitive stylus)	
8	Gravity sensor	support	
9	Light sensor	N/A	
10	keyboard	All-in-one leather keyboard (magnetic connection) dark gray American English without backlight	Optional keyboard color, with monochrome keyboard backlight and language silk screen
11	Indicator Lights	Power indicator blue color	
12	Body size	288.9*207.5*10.7mm	
13	Weight	894 g	
14	Body color	Black + Space Gray	
15	Appearance technology	The plastic surface is black and high gloss, the bottom hardware surface is sandblasted with	
4. Software and User Experience			
1	operating system	Support WINDOWS 11 pro / e-commerce	Optional Win10, Win11
2	Language support	Default English, including 16 languages (Chinese (Simplified), Brazilian (Portuguese), English US, English UK, Japanese, Korean, German, French, Russian, Arabic, Kazakh, Hebrew, Spanish, Dutch, Italian, Finnish, Chinese (Traditional))	16 languages, you can also choose a single language or a combination of languages
3	APP pre-installed	shortcut key	
4	Battery life	3.5-4.5 hours	
5. Packing List			
1	Standard	Color box/instruction manual/power	
2	Optional	Outer box, color box, adapter, instruction	
6. Customized information			
1	color	Metallic Space Gray	
2	LOGO	TP cover screen printed LOGO bottom shell inlaid with nickel sheet LOGO bottom shell laser engraved LOGO bottom shell laser engraved customized information	Optional
7. Special selling points			
1	Ultra-high frequency, full performance; high cost performance;		
2	Rich interfaces and wide application (2 TYPE-C, 2 USB-A, etc.);		
3	Support tablet touch quick operation/integrated keyboard vertical operation input;		

Common languages:
